

Perfect 10 Gymnastics

We Are Expanding

After 13 years at our South Street Facility, and 1 year after the opening of our satellite facility on Santa Lucia, Perfect 10 is expanding and moving our entire facility to 20617 Santa Lucia Street, Suites A, B, C, & D (1/4 mile around the block). We have outgrown our South Street location and have expanded into a larger gym space, separate administrative office, 2 parent viewing areas, and four bathroom facilities. We are proud to offer you our new facility, and we would like to thank all of the students and parents, both past and present. It is your continued support and dedication that has enabled Perfect 10 to grow into an expanded facility.

New Location

During the week of March 22, all classes will meet at their usual location.

STARTING MARCH 29, ALL CLASSES will be meeting at our 20617 Santa Lucia location.

In order for us to have ample time to move equipment to the new gym, the following classes will not meet on Thursday, March 25 or Friday, March 26:

Thursday Level II 5:00pm and Giants 5:00pm

Thursday Girls Team 5:00pm

Friday Level IV 3:30pm

Friday Boys Team 3:30pm and Girls Team 5:00pm

There are 5 Thurs's and Fri's in April, which will balance out for the missed classes. To get to the new gym from our South St. location, turn left out of our driveway, turn rt. On Commercial, turn rt. On Santa Lucia, gym will be on the right. Total of 1/4 mile. Call 822-7179 with any questions. Thank You!
